

PATRICK DION

Full Stack Developer

patrickdion8@gmail.com | 403-808-9104

Solution oriented full stack developer, I completed the EvolveU learning program of a length of 6 months where I been working on several projects where I was a key team member , in an agile environment, working on database, front and back end. I'm eager to find a role where I will able to support a dev team and grow in same time of the company.

SUMMARY OF QUALIFICATIONS

- HTML, CSS, JavaScript, Python, React, Redux, Router
- NodeJS, Express, MongoDB, Git
- Jest, Supertest, Google API, Stripe, Twilio
